2016 Recommended Services & Winterization Form

Please Read Carefully and check all that apply

Boats located outside our marina will be charged an extra service call for services rendered.

Note: As part of our winterization program, we will make a general inspection of your boat, motor and related equipment. You can expect a follow up on suggested repairs and/or services which could be performed during the upcoming winter months.

No, do not winterize, I have made other arrangements.

I am using heaters. Do not winterize my drive engines, but please do winterize the following items I have listed:

Check the operation of the heating system mentioned above \$52.50

Install Bilge heater (contact marina for quote)

Engine Winterization will be \$105 per engine, plus anti-freeze (price varies per type)

Winterize generator/power plant \$80 each, plus anti-freeze @6.9/gal when applicable

Fresh Water System \$75 each Head \$50 each Hot Water Tank \$50

Air Conditioner \$52.50 each Ice marker \$50 each , plus potable anti-freeze @ 6.95/gal

Winterize outboard engine \$70 Ethanol Glycol AF \$16.95/gal Wakeboard Boat Ballast \$50

Winterize PWC \$70-\$140, some will have a pull fee

*****The following services are recommended by our Service Department and the marine engine manufacturers and are required to keep some insurance and warranties in effect. Oil prices are subject to change.*****

OIL CHANGE: Yearly or every 100 hours: (whichever comes first) --\$80 per engine, +plus Mercruiser oil @ \$9.75/qt, +oil filter @ \$12.50/ea, + hazmat disposal fee \$3.00/engine.

OIL CHANGE on generator/power plant Yearly or every 100 hours: (whichever comes first) --\$62.50, +Mercruiser oil @ \$9.75/qt, + oil filter (if applicable), + hazmat disposal fee \$3.00

STERN DRIVE SERVICE Yearly or every 100 hours (whichever comes first)—Mercruiser or OMC \$97.50, + gaskets (if applicable) @ \$9.95 each, + lower unit gear oil: Alpha 1 with reservoir @ \$30; Bravo 1 & Bravo 3 @ \$45; Bravo 2 @ \$50, + hazmat disposal fee (applies to either type) \$1.50. **Note:** Stern drive service typically requires that your boat will be pulled out of the lake and onto our marine rail and into our marine shop. A pull fee of \$7/foot per length of boat will also be charged for this service.

Change fuel filters, top off fuel tanks, & add gas dryer--\$59.50, +canister fuel filter @ \$13.25, + gas stabilizer @ \$5.25/12 gals of gas. Any fuel added will appear as a separate charge.

Transmission Fluid change & flush--\$100 + transmission fluid @ \$6.50/qt, + \$3.00 hazmat disposal fee.

Please list any special requests: _____

Date we can winterize: _____ **Please verify by phone that we have received your form**

After your boat is winterized, it will be necessary to notify the marina in the spring to schedule de-winterization.
